

Our Stations

93.3 KGNU is Eugene/Springfield's country powerhouse and consistent market leader, delivering top ratings and a loyal, engaged audience. Led by live and local Robb & Kori in the Morning, KGNU combines great country music, strong personalities and deep community connections in a fun, family-friendly environment. Celebrating the country lifestyle, KGNU connects with a broad range of listeners and gives advertisers a powerful platform to build awareness, trust and results throughout Lane County.

94.5 Mix FM is Eugene/Springfield's at-work listening station, featuring a feel-good variety of music from yesterday and today from artists like Taylor Swift, Benson Boone, Katy Perry and Bruno Mars. Mornings are led by live and local Chadd & Kristi Thomas, a real-life married couple who have become trusted friends to their listeners, connecting with the community through music, local updates and relevant conversations.

105.5 BOB FM is a Classic Hits station that plays music from the 80's, 90's and "Whatever?!?!". BOB delivers a unique blend of music, humor, sarcasm and just plain fun that makes BOB one of Lane County's top adult radio stations.

Eugene/Springfield's Spanish-language FM station connects with Lane County's Latino community of approximately 30,000 people—a population that has grown nearly 70% over the past decade. Featuring a Regional Mexican format from Univision Radio and local personality Lupita, the station gives businesses a powerful way to reach Latino consumers through music, culture and community connection.
